The Homestead District Lions Club is a part of Lions Club International and is a service organization dedicated to the needs of Western Pennsylvania residents. The Homestead Lions Club was founded on February 12, 1948. Thirty-nine local businessmen, professionals and clergy met in the basement of Old Saint Matthew's Church to form what is now one of the premier service organizations of the Steel Valley.

Today's Homestead District Lions Club carries on the rich tradition set by our founding fathers by continuing their dedication to worthy causes such as The Carnegie Library of Homestead, Food Banks, Youth Athletic Teams, Scholarships and those with sight problems.

The members of The Homestead District Lions invite you and your friends to join us at our Celebrity Golf Scramble and help us to continue our proud tradition of helping others.
