

Any Pitcairn Lion that would attempt to write a club Newsletter...after the Lion Kenyon masterpieces must be crazy. I guess I am certifiable because here is an attempt to do the impossible...**THE CAT'S MEOW**...reborn.

My purpose is to provide information to Lions concerning the activities of our club. It will not be long and it will not be fancy, but it will be informative...I hope!

Any member, or friend, can suggest material for this Newsletter. The cub reporter reserves the right to include material he believes worthy. Of course, like any good cub reporter, this cub reporter can be bought...cheaply. *Cub Pat*

The Pitcairn Lions Club announces a new member. New Lion **Allen Grimm, Jr.** was accepted by Board vote on November 28, 2006. Lion Al was a former resident of Pitcairn and a local plumber by trade. After a successful plumbing career, Lion Al received a calling to join the ministry. He is now retired from that calling. He moved back to this area and was asked to consider joining the Pitcairn Lions Club by his sponsor, Lion Myrrl Helman. Lion Al is coming back home, not only to Pitcairn, but also to Lionism. He was a member of the Wilmerding Lions about 25 years ago. **Welcome aboard Lion Al, we are proud to have you as a member!**

Just in case you missed the news...Pitcairn Lions Club's total was increased by one at the October board meeting also. Our club welcomed new member **Joyce Sensenich** at that meeting. Lion Joyce is the current manager of Citizens Bank on Broadway. She is becoming very active in the local community with her Lion involvement and her involvement with the Pitcairn Women's Club. Lion Joyce was at the October bingo to help even before she was accepted as a member in our club. At that event Lion Joyce brought a friend of her son's to also help and both had a great time. We hope both will be able to help at the December bingo. Lion Joyce was invited to join our club by her sponsor, Lion George Myers. **Welcome aboard Lion Joyce, we are proud to have you as a member!**

At the November Board Meeting our club was in the Christmas spirit and donated some money...

- \$100.00 to Women's Club toward Banners over Broadway
- \$100.00 to the 365 Club at Beacon Lodge
- \$25.00 to the Blind Bowlers Tournament

This year our club decided to send in \$5.00 per member to the Beacon Lodge 365 Club. Members **may** replace the money by giving \$5.00 to the Secretary. **This is voluntary!**

We are a busy club, but no one is complaining...

- We are finishing our Enjoy Book Sale and it is important that all money and/or books be returned to Chair Lion Pat.
- King Lion Jim and Lion Pat traveled to Bethel Park on 12-02-06 to pick up our fruit. Pitcairn purchased 76 boxes of fruit and it is all gone. Good Job Lions!
- Papa Bear's Nuts are the talk of the town. You can see them at Citizens Bank or at Dan Floral Design. People are visiting from out of town just to view his nuts!
- Lion Hank received a shipment of mints and the mints are in the local businesses in time for last minute Christmas shopping. Great stocking stuffers!
- Don't forget our old reliable products of bags and brooms. Bags are \$9 and Brooms are \$8. Frank's Barber Shop and Citizens Bank sell our bags and brooms.
- **Remember...A busy club is a happy club!**

The December Bingo was another fun time. Remember it is no more work to have 20, 30 or 40 more customers in attendance. Let's brainstorm at a meeting to get more people at our bingos. **Do you accept the challenge?**

Tonight's Visiting Speaker is Zone Chairperson Pat. He is proud to visit our club and he is proud of the job Pitcairn Lions are doing this year. **When he is finished with his short talk you should ask him about his ideas concerning club dues.**

Well, like I said...it is not a George Kenyon Newsletter, but it is informative...I hope. KISS will be my motto and KISS means...**KEEP IT SHORT STUPID!**  
**That's all folks!**
